

Rubric for Link Inclusion: MatEd Website

For inclusion of a link on the MatEd web site, another web site must meet all minimum criteria and at least one of the desired criteria. To assure quality all websites suggested for linking are reviewed based on the following:

AT A MINIMUM, the site meets all of the following criteria:

- Reinforces MatEd goals
- Supports the purpose and structure of the MatEd web site
- Includes useable labs, demonstrations, papers, videos that are classroom ready
- Fits at least one category aligned with MatEd-- K-12, community/technical colleges, baccalaureates, industry, and/or professional organizations
- Is a credible resource, with endorsements from recognized entities

The site also meets one or more of the following desirable criteria:

- Is easy to navigate
- Is current and updated within the last 3 months
- Has a workable search function
- Has active links

Reviewer Comments (if link is posted on MatEd site, brief comments on strengths/weaknesses of website could be included in small dialog box when the cursor points to the URL)
